SOURCE :

On 1 January 1954, the former Derunapht A.G. was made a nationalized enterprise under the designation of VEB Naphta. In mid-January, this designation was changed into VEB Kraftstoff-Vertrieb (nationalized sales agency for motor fuels). The firm retained the accounting procedure in use with Derunapht. It operates more economically than the DME-KM because it has its disposal a park of more modern vehicles. The monthly general expenses per ton of fuel handled amount to 14.-- DM with the DME-KM and only 9.-- DM with the VEB Kraftstoff-Vertrieb.
